## **GARETH BAILEY**

e-mail: [gareth.bailey@kynesim.co.uk](mailto:gareth.bailey@kynesim.co.uk)

### **Employment history:**

*Summer Research Placement: Computer Laboratory, University of Cambridge, July/August 2006.*

- An eight week placement working with the Nokia internet tablets and mobile phones. I was working to use the mobile phone as an input device over bluetooth to the internet tablet. This involved using the bluetooth protocols and modifying xserver and Linux kernel code.

*Library Assistant: Stockport Central Library, April 2003 – September 2004 (part time).*

- I was expected to assist library users which required good communication skills.

### **Education:**

*University of Cambridge, 2004 – 2007:*

- BA, Computer Science, [2:1]

*Parrswood High School, 2002 – 2004.*

- A Level: Physics [A], Mathematics [A] and Further Mathematics [A]
- AS Level: Chemistry [A], Critical Thinking [B] and General Studies [B]

*The Kingsway School, 1997 – 2002.*

- GCSE: Mathematics, Information Technology, Physics, Chemistry [A\*], Biology, Geography [A], English Language, English Literature, German [B]
- Key Skills: Information Technology [Level 3]

### **Interests:**

- I'm currently taking time out to travel and have been to many places in the past couple of months.
- Selwyn College Mixed Lacrosse Team 2004-2007: I was an active member of the team attending training sessions and inter-collegiate league games and tournament. Part of the the winning league (2005) and tournament teams (2006).
- Cambridge University Cycling Club 2006-2007: I attended training rides 2-3 times a week and competed in individual and team time trials.
